This home was rebuilt from the foundation up in 2012. Located on a corner lot with over .25 acre, this great family home features a large swimming pool, backyard deck and child-safety fencing. The home has a living room and a huge family room that can fit everyone for those big family gatherings. Large kitchen featuring stainless steel appliances and lots of counter and cabinets. The master bedroom is extra large in size and storage. Engineered hardwood flooring in living spaces, tile in kitchen and carpeting in the 3 bedrooms. Indoor laundry too.

Amenities

- Covered parking
- Parking
- High ceilings
- Laundry room
