Prime location for your business ventures! Located just off the newly built exit 14 offering high visibility and great exposure. Currently used as a restaurant but boasts plenty of options for use as one business or can be separated for more than one business. This beautifully designed building has been tastefully landscaped, offers 3 outdoor patio areas and a large parking lot. Call Heath or Scot for your private tour. You can also purchase the business which includes the fine dining restaurant and catering with a catering truck. Ask for more details.
