DON'T MISS OUT ON THIS INCREDIBLE SAVINGS!!! This Beautiful 2309 sq. ft. home offers brilliant exterior designs, the floor plan includes 4 bedrooms, 3 baths, and a 3 car garage, this unique plan allows you to get creative with numerous options to choose from. As you enter the home, there is a split hallway to the left with a bedroom on both sides and a bathroom in between. Along the right, there is a laundry room conveniently located off of the 3-car garage. Then, the entryway opens up into a spectacular great room with a family room, formal dining area, cafe, and a beautiful open concept kitchen. Off the cafe, there is a covered lanai area that can be extended to create even more room for outdoor entertainment. Off the family living area this home has a large master suite and bath with a walk in shower, dual vanity. To the right, there is a wonderful fourth bedroom and third bathroom. WANT TO BUILD and add your own touches we have home sites for you to choose from. You can add a second floor, a fifth bedroom, to increase the square footage by 825 feet to a total of 3135 A/C space. . . THIS HOME IS READY TO MOVE INTO!!!!
