This Royal Barry Wills designed Cape is perfectly perched at the very tip of Gloucester Harbor with spectacular 280 degree views of the City, Eastern Point Light and beyond. Enjoy watching the schooners, fishing vessels, fireworks and harbor activity from the extraordinary outdoor living space. Equipped with an outdoor kitchen, hot tub and bar, and a beautiful screened in porch, this is your perfect retreat. The open, airy and bright interior takes full advantage of the one of a kind views. The expansive lawn and professional landscaping completes this perfect picture.
