This beautifully remodeled 2 bedroom, 2 bath condo is located in one of the top resort destinations on Ambergris Caye. Conveniently located 1 mile south of town in a quiet relaxing resort community. Kitchen upgrades include granite counter tops and stainless steel appliances. Both bathrooms have been completely remodeled with trending design features. The master bath was redesigned to include a spacious walk in shower. This second floor unit has vaulted ceilings of native Belizean hardwoods. The comfortable veranda offers views of the pool and Caribbean Sea. Enjoy dining out over the water at the resort's on site restaurant, Pier 366 Seafood House. Great investment opportunity, this property will be part of the Marriott Autograph Collection providing access to all the amenities available at Alaia Resort, scheduled for completion in 2020.
