Built by Rhino Homes, this beautiful home is over 7,000 total square feet with just under 6,000 square feet under air. Luxury at it's finest with areas of soaring 20 foot ceilings, 6 bedrooms and 6 baths, all with a walk in closet. Bedrooms have 10 foot ceilings. The master suite includes a sitting room as well as an exercise room. High end finishes, custom cabinetry, stainless steel appliances, quartz countertops, oversized porcelain tile flooring, double height ceilings in all living areas. This is a custom designed home with a three car garage, outdoor kitchen, and is smart house ready. Energy efficient with impact resistant windows. Additional features include a huge covered terrace and independent his and hers walk in closets in the master suite. A beautiful home, a beautiful area in southeast Florida, perfect for your pickiest buyer!
