For Sale Now! Only US\$3.3 Million “Your Tropical Paradise Getaway” Culebra is a small, sparsely populated island off the east coast of Puerto Rico. Located between Puerto Rico's northeastern coast and St. Thomas Island USVI, this Gorgeous Oceanfront House is located on 1 plus acre property that extends down to the protected natural reserve beach of Punta Melones, which is one of the best beaches for snorkeling in Culebra Island and around the world. You can experience spectacular sunsets from the 75' infinity pool which overlooks Vieques Island, Cayo Luis Peña, the mountains of Puerto Rico and the entrance to the Island. It has 6 bedrooms, 5.5 baths, laundry, AC in all rooms and living areas, 2 fully equipped kitchens, a large pantry and big balconies and terraces. All rooms are oriented towards the ocean. A must see!!! Airfare accommodations available for qualified buyers.
