A one-of-a-kind masterpiece, this home has all the resort-like amenities you'd dream of! Spacious outdoor conversation areas, all with lake views, two-slip deep water dock and heated pool. Entering this breathtaking home, you'll notice the attention to craftsmanship with open beams, master stonework (stones imported from Israel) and gleaming heart of pine floors. Kitchen opens to expansive living area with views of lake out of every window. Private master suite features stone fireplace and spacious master bath. Embrace the Lake Lanier Lifestyle in this magical private cove with professional landscaped yard.
